General Tips for IELTS Reading Hints

60 min
3 articles
40 questions

- Fill in your name, ID number, and the answers.
- When you finish a section – transfer your answers – **DON'T WAIT!**
- What does the title/headings say or mean? If you don't understand...
 - move on and keep reading. It will become clearer later on.

DO NOT READ THE PASSAGE First! (you need a reason to read – and to look for info).
First - read the questions **carefully** and the questions' instructions.

- What are the **keywords** for each questions? **UNDERLINE THEM** or **Highlight them**.
- **REMEMBER** – the reading exam has 3 parts.
- There are more keywords in short texts.
- **Skim:** Find the **keywords quickly** from one paragraph to another paragraph
 - don't read everything – just find other keywords – near those keywords.
- **Scan:** Find keywords/information **slowly** in one paragraph

If you read with your finger – you are too slow! All the words are in the text.
Don't spend more than 25 min on the first question.
Articles get harder / 15 min > 20 min > 25 min / You can write on the paper...
